

"TenSPOT Fix" Cats & Dogs

Any healthy cat spayed or neutered for only \$10!
Any healthy dog under 50lbs spayed or neutered for only \$10!

Healthy pets only. No monorchid or cryptorchid males, no pregnant females.

Dogs over 50lbs will require additional charge determined by the veterinarian.

Proof of vaccinations may be required, or purchase service from veterinarian.

This program is for pets in individual households. Funding is limited, so please help us to help those who cannot afford normal charges for this surgery.

September 10th & 11th, 2011
